

The background image shows a bright, modern office space. It features a large glass wall and ceiling, creating a high-ceilinged atrium. The floor is made of large, light-colored tiles. Several round tables are arranged throughout the space, each surrounded by blue chairs. A central area has a white, snow-like material on the floor, with a few potted plants. The overall atmosphere is clean, bright, and professional.

# DAISY SERVICED OFFICE

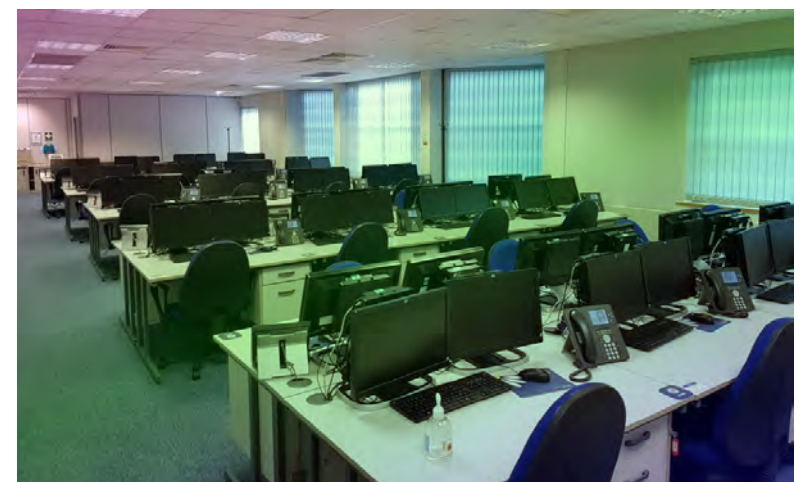

Tech-empowered workplaces that  
adapt to your changing needs. >

# MAKING HYBRID WORKING WORK.

## Welcome to our tech-enabled take on the serviced office.

As well as reducing overheads, freeing you from onerous property commitments and helping you form a flexible, less capital-intensive footprint, our approach gives you all the facilities of a serviced office while putting connectivity, security and IT support at the heart of your experience.

# AVAILABLE **WHEN** AND **HOW** YOU NEED US...

Whether you're simply seeking an ideal blend of **cutting-edge** and **cost-effective** office space or meeting rooms, or need an "on-demand" way to accommodate new colleagues at short notice, Daisy Serviced Office helps ensure your business is always more than the sum of its parts...

...all for a **simple packaged monthly fee**.

## What makes Daisy Serviced Office different?

Both our service options (**Daisy Serviced Office** and **Daisy Serviced Office PLUS**) put comfort, security and connectivity front and centre, with a wide range of **customised options** available to help you tailor the fit.

Choose between two service options - **Daisy Serviced Office** or **Daisy Serviced Office PLUS**.

**OPTION 1:**

# DAISY SERVICED OFFICE
